Filesize: 1.35 MB

Reviews

Complete guideline for ebook enthusiasts. It really is loaded with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Delilah Hansen)

FREAK CITY CHILDREN OF ATLANTIS VOLUME 1

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 220 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. What do you do the day after the world turns inside out? When people start gaining paranormal abilities once limited to the province of comic books, the world reels. Forced into a camp for their own protection, several victims of the Event strive to survive and find a new normal. Can they turn a once abandoned military base into a thriving city of the future in just three months? The camp's commandant wants them to fail, and he's not the only one. A small core group of determined individuals refuse to let anyone get in their way. The lives of too many people depend on them. *Freak City* is the first book in a new series of books that will depict a rich universe containing innovative twists on superheroes, aliens, lost societies, hidden communities, immortal power brokers, political conspiracies; even vampires, dragons, and other creatures of myth and legend. This first book covers three months in the lives of a group of people whose lives are disrupted when they are gifted or cursed by powers and abilities once limited to the province of comic books and speculative fiction. When they are forced to voluntarily go to a camp created by the US government to train them in the effective and proper use of those powers and to protect them from a nation of normal people terrified of what they've become and are now capable of doing, they are presented with the choice between being victims and finding a way to reclaim as much of their lives as possible. When they opt to use their powers and talents to turn a marginally livable Army base into a thriving city...
