CSS Publishing Company, United States, 2008. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In nature, spring is a time of rebirth and renewal as the earth shakes off its wintry slumber. In the church, spring is also a time of renewal. From the reflection and self-examination of Lent comes the new dawn of the risen Son at Easter. In Growing in Christ, Michael Wuchter reflects this season of renewal in such messages as A Letter From Cousin John, Explaining Resurrection, and Parenting and Hiking. No matter the season, be it the scorching heat of summer or the bitter frost of winter, Growing in Christ can help us experience the newness of spring in our spirits. During Lent and Easter, the church moves from confession to forgiveness, from the entanglements of this world to freedom in Christ, from darkness to light. Michael Wuchter makes that same move in these twelve sermons. From the narratives of Genesis to a detailed explanation of the resurrection, from parades in France and Guatemala to hiking the Superior Trail, Wuchter takes us on a journey of God's grace. And as he says, this foray into God's love and mercy is a grand adventure.- Pastor John MorrisPrince of Peace Lutheran Church, Dublin, OhioMichael's sermons are sheer poetry. They bring such a strong emotional response for me that it is often days later that I realize the theological and intellectual authenticity and integrity of these sermons that had swept me off my feet emotionally. This is preaching at its finest. They are like Michael was in his life: artistic, deeply thoughtful, literate, engaging.stories well told. As Warden of the Cathedral College, home to the College of Preachers, I know excellence of preaching when I...
