## BLOOD HARVEST

Purple Mountain Publishing. Paperback. Book Condition: New. Paperback. 316 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. Steve Jacobs isn't a Vampire. . . not really. . . then again. . . It doesn't really matter what he is or was anymore because Steve abandoned the darkness of his former life over a decade ago when he left the only people he ever considered to be family and ran to California. There he joined the Los Angeles Police Department, graduated first in his class at the Academy and now works as a Detective in the Homicide division. So when his Captain calls in the middle of the night and instructs him to come to a highly unusual crime scene, Steve does so without question. Arriving on the scene Steve discovers that the entire staff and patronage of nearly one thousand people at a popular and hedonistic Los Angeles nightclub have suddenly and mysteriously collapsed where they stood and appear to be dead. Rumors of a biological or chemical terrorist attack are doubted by the large number of LAPD and emergency personnel on the scene, but there seems to be no other explanation for the unnerving occurrence. Then, before Steve can even fully begin his investigation, the case goes from unusual to absolutely bizarre with the appearance of an exotically beautiful and seductive woman in the company of a large, incredibly powerful white haired man. Both individuals are people that Steve thought he had left behind over a decade ago, but he now finds his past and his present are interwoven...
