Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Nova Science Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Positive Youth Development: Theory, Research & Application, Daniel T. L. Shek, Rachel C. F. Sun, Joav Merrick, In the prevention science approach, focus is put on identifying risk and protective factors in adolescent risk behaviour. Based on this approach, many research and prevention programs have been generated in the past few decades. Nevertheless, over-emphasis of adolescent developmental problems has been criticised as focusing too much on adolescent developmental problems and pathologies. In response to this criticism, an alternative approach highlighting the importance of positive youth development has been proposed.
