

## The Second Curve : Thoughts on Reinventing Society

By Handy Charles

Paperback. Book Condition: New. Not Signed; Description: Britain's leading guru looks to the future. Charles Handy is one of the giants of contemporary thought. His books on management - including Understanding Organizations and Gods of Management - have changed the way we view business. His work on broader issues and trends - such as Beyond Certainty - has changed the way we view society. In The Second Curve, Handy builds on a life's work to glimpse into the future and see what challenges and opportunities lie ahead. He looks at current trends in capitalism and asks whether it is a sustainable system. He explores the dangers of a society built on credit. He challenges the myth that remorseless growth is essential. He even asks whether we should rethink our roles in life - as students, parents, workers and voters - and what the aims of an ideal society of the future should be. Provocative and thoughtful as ever, he sets out the questions we all need to ask ourselves - and points us in the direction of some of the answers. book.
