Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Chelsea Station Images, United States, 2012. Paperback. Book Condition: New. First Ustion ed.. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in the 1980 s, Dirty One follows a pack of adolescent characters who live in the acid-drenched, suburban town known as Leominster, Massachusetts-the plastics capital of America, as well as the birthplace of Johnny Appleseed. In the story, From Kissing, a sixth-grader named Butch has his first homosexual tongue kiss during a monster truck show and, after a bout of the flu, he is convinced he has somehow contracted AIDS. With Curls and Curls, nine-year-old Lee hates his kinky, brown head of hair and is seemingly possessed with magic, casting spells to unfurl his evil tresses. In A Snow Day, eleven-year-old Cassidy longs to be the next mega-watt, teen pop star, but is forced to deal with her crazy classmates, her gay father, and her dog that continually vomits in the driveway. Do It follows a tween named Denise as she seeks her first sexual experience with a boyfriend who can never remain erect. Denise strives for high school greatness while her gay best friend is crowned king of all local paper routes. These selections join five more, constructing the remarkable world of Dirty One.
