WRITING SCIENCE IN PLAIN ENGLISH

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Writing Science in Plain English, Anne E. Greene, Bad writing is bad for science. Incomprehensible journal articles, wordy proposals, and jargon-filled theses make reading a chore for students, informed lay people, and even other scientists. As a result, years of research and hard work can be passed over or misunderstood. The problem is so significant that clear writing has become a legal requirement for federal agencies, thanks to the...

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
