## THE INSPIRATIONAL INTERNET (PAPERBACK)

Xulon Press, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a college ministries director, I am constantly looking up material on-line. Whether it be for finding clip-art for a flyer or looking up information on the Bible I have to spiff through the garbage on the Internet to find what I am looking for. That s when I got inspired to write this book. I didn t want others to be typing in searches that were innocent leading to horrible sites. I want people to be able to quickly find a site that they needed. I want people to be inspired by the information on the Internet, not discouraged by the material they had to go around. Hopefully, while you are looking up the information that you need to you will be encouraged and enthused by what God s Word has to say on the topic that you are interested in. I pray that this will be a valuable resource for you. From golfing without a cart for 24 straight hours for charity to leading worldwide mission trips, Andy Hirko is passionate about everything he does. His latest adventure is this book, The Inspirational Internet. Andy lives in Saint Augustine, FL with his wife, Kristy, his daughter Lilyana and their dog, Dee-O-Gee. He is the College Ministry Director for Good News Church.
