Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Robert L. Perry's new book, Leadership the Ozarks Way, traces the history of the Ozarks culture and points out how that culture shapes leadership traits and skills. The area is described in terms of geography and history, and Perry traces the predominant culture through its Appalachian roots and all the way back to the Scots-Irish immigrations of the 18th Century. This is Dr. Perry's seventh book. His other writings deal with organizational health, strategic planning for non-profits, and insights for effective leadership. His research includes extensive interviewing of 20 outstanding Ozarks-based leaders. Sociological qualities of the culture and experiences of his research group, led to the identification of eight important qualities that impact Ozarks leadership. These qualities are: Integrity, Family, Hard work, Creativity, Storytelling, Music, Humor and Faith. The book contains anecdotes from the lives of the people in the survey group, thus it encourages young Ozarkers to value their heritage, have confidence in their capacities and pursue excellence in leadership. The book reflects the same sense of humor, straight talk and practical applications that the author learned from his Ozarks upbringing.
