Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Bible and the Sunday School The lecture outlines in this little volume are epitomes of addresses and conversations given at the Sunday School Parliament, Rev. W. F. Crafts, Conductor, held July 18 - 26, 1876, on Wellesley Island, one of the famous Thousand Islands, in the St. Lawrence River. It is thought that in the present form of Outlines, the points made will be more permanently and widely useful as a basis for study in teachers meetings, normal classes, and institutes, as well as for private reading, than in the usual form of a consecutive and detailed report. Parents, Pastors, Bible Students and Sunday School workers will find in these outlines many valuable hints and suggestions, which may be further developed by thought and experience. Methods of Bible study will be found to have equal prominence with methods of Sunday School work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
