Methuen Publishing Ltd, United Kingdom, 2002. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. A hilarious canine compendium, essential for new and experienced dog owners alike. As all dog owners know, man s best friend is a complex bundle of appetites, instincts, and winsome wiles. Few first-time owners will realize, however, just what a responsibility they are taking on. So Norman Thelwell kindly provided them with this invaluable handbook full of advice on choosing, training, feeding, exercising, and caring for our four-legged friends. It also emphasizes the importance of protecting one s own interests - not to mention those of one s neighbours - for an ill-trained hound will soon develop a healthy disrespect for law and order. Here is a superb cartoon collection designed to give every dog owner a new leash of life in the canine world. From the business of choosing a puppy and the troubles of training to the foibles of different breeds, Top Dog is an indispensable companion for all fans of man s best friend.
