The beauty of a bonsai tree is that it can be placed anywhere in your house, in your living room or in your porch. It doesnt take much space. Aesthetically, it looks great and goes with any kind of home décor. It can be grown in any container and placed anywhere to add that natural touch to the place. But does it require no care? Thats not true because just like your regular trees, a bonsai also requires proper care, fertilization and watering. In fact, if you take good care of your miniature tree, it can survive for hundreds of years! Most people also think that only special varieties can be a bonsai tree. Thats also not true.
