

The Space-Time Energy Level Change Powered Christmas Tree Light-Sail Smorgasbord. Notes on Novel Light-Sail Propulsion Methods. Addendum 1. (Paperback)

By James M Essig

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. This book presents an operator that is meant to be inserted into each linear power term in the now two huge formula sets for which sigma series notation is included and the respective summations are with respect to the letter j or the combination jde . Accordingly, there are thousands of such linear power terms that can be modified. The operator is so generally distributed because each of the self-evident aspects presented in the operator are assumed to augment the propulsive force and power terms considered for the numerous additional propulsion modes modeled by the sigma series with respect to the letter j or the combination jde . Thus, the new propulsion modes featured in this operator are assumed to be at least almost completely active on all portions of the spacecraft. Note that the operator is understood to have context specific magnitudes as may be relevant for various modes of propulsion so augmented and various differential portions of a spacecraft which may be effected differently from other portions by the propulsion methods implied in the operator. The operator is assumed...

Reviews

This ebook could be worthy of a go through, and a lot better than other. I have studied and that I am sure that I will likely to read through yet again once more in the future. I found out this pdf from my friend and dad suggested this pdf to discover.

-- Lorine Rohan

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf I have got read through. It's been developed in a remarkably straightforward way and it is only right after I finished reading this publication in which actually altered me, modify the way I believe.

-- Don Pacocha
