John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Secret Millionaire, Joe Johnson, John McShane, We all dream of winning millions on the lottery and occasionally wonder just what we'd do if it actually happened. This time around, he was determined not to be made a fool of, so to ensure Lisa would love him for who he was, not his bank balance, Joe hatched an incredible plan to test her love for him - he'd pretend to be broke and steel himself for her reaction on discovering that she had been deceived. What followed reads like a fairytale. The lengths to which Joe went to keep his secret are amazing - he even made Lisa pay the bills and took her on a holiday from hell to...
