The Story Plant. Paperback / softback. Book Condition: new. BRAND NEW, Eyes Closed Tight, Peter Leonard, O'Clair is a former Detroit homicide investigator who now owns a motel in Pompano Beach, Florida in his retirement. He runs the place with his much younger girlfriend, Virginia, who's a knockout and can fix anything. One morning, he's cleaning up after the previous night's parties when he sees a lovely young woman stretched out asleep on a lounge chair. He shakes her gently. Then he touches her neck and feels for a pulse. There isn't one. Her skin is cold, body starting to stiffen, definitely in the early stages of rigor. When a second girl is murdered, O'Clair knows someone is trying to send him a message. The way the girls are killed reminds O'Clair of a case he investigated years earlier. Now convinced the Pompano murders are related, O'Clair returns to Detroit Police Homicide to review the murder file and try to figure out what he might have missed. And when Virginia is kidnapped by the killer, the stakes grow exponentially higher. The most powerful work to date by one of the most thrilling suspense novelists of our time, EYES CLOSED TIGHT is relentless, surprising, and deeply satisfying.
