## The Pronunciation of English: Principles and Practice

---

By M.A. Yadugiri

Viva Books Private Limited, 2015. Softcover. Book Condition: New. Description: This course book covers all aspects of English pronunciation including consonants, vowels, word stress, and features of connected speech such as rhythm, prominence and intonation. The description of the various features is clear and factual with several examples, which the learners can listen to on the audio CD. The different types of exercises at the end of each unit in a chapter give the learners both listening and speaking practice and also help in understanding the principles of English pronunciation. The chapters begin with a preview and end with a summary to facilitate systematic learning. The book also has a glossary of specialized terms, a list of books and online sources for further study and an answer key. Special features of the book: Separate and highlighted presentation of: ? the important differences between British and American pronunciation with examples spoken by British and American speakers on the audio CD ? the characteristic features of Indian pronunciation ? crucial points about English pronunciation that learners should remember in pronunciation practice ? information on useful technical terms and distinctions in Phonetics and Phonology A unique feature of the book is the presentation...
